Message to Aimee's Family:

Claire Zeller was the treasured niece of Aimee. Aimee was proud of the formation of Claire's Promise, Inc. and wholeheartedly supported its purpose. Claire was just 24 years old when her life was tragically cut short by a drunk driving crash - a loss that changed her family forever and inspired a commitment to protect others from the same heartbreak.

The mission of Claire's Promise is to honor Claire's life by educating the public about the dangers and lifelong impacts of impaired driving, and by advocating for and supporting victims and their families. Through education accessible resources, and community-based action, Claire's Promise works to build a safer future and ensure that no family must walk this painful path alone. Claire's Promise extends its mission by supporting charities that were meaningful to Claire, including organizations dedicated to breast cancer awareness.
